

Have You Heard?

By Dorothy McCain Elenius

A population explosion has really hit Albany's American Legion Post 292. The new Commander's wife, Shari, has presented Dale with a baby daughter, which also makes Auxiliary President, Mildred Gray (Dale's mother) a grandmother. Comrade Dan Cullup's wife, Judy, presented him with a baby boy and Comrade Frank McLaughlin's son, Del, became the father of a baby boy, also making both Frank and Comrade Jerry O'Gorman grandfathers (Jerry's daughter Sue is Del's wife). Another proud grandfather is Comrade Jack Purcell, who recently became a grandfather for the fourth time, courtesy of son, Steve and his wife Sue.

Congratulations to the new fathers, new grandfathers and also veteran grandfathers, says TNT news editor, Keith Truax, who also adds "Oh yes, special thanks to the mothers, too!"

Lots of birthdays and wedding anniversaries being celebrated around town this month — sooo, belated birthday congratulations to those who have already been honored, including: Bob Luoma, Oct. 5; Art Longpre and Babe De Maria, Oct. 7 and Bill Savage, Oct. 8. Still waiting to celebrate are: Bernice Boyd, Oct. 11, Jack Labadie, Oct. 16; Bob Carlson, Oct. 21; Richard Yamashiro, Oct. 25; Larry Carducci, Oct. 29, and our Halloween baby, Eleanor Saniuk, Oct. 31.

Wedding bells rang out many years ago this month for: May and Harold Olson on Oct. 20; Nancy and Alex Davis, Oct. 21; Dorothy and Joe Villa, Oct. 23; Jean and Joe Dagna, Oct. 27; Winifred and J. J. Sturgeon, Oct. 27 and Rosita and Bill Rothschild, Oct. 30.

Congratulations and best wishes to one and all... and, if we have overlooked anyone, please accept our apologies.

Have you heard... that the Indians are really getting worried? Before the white man came, they led a very happy and carefree life. There were no taxes, no union dues, no "check-off," no inflation, no wage and hour laws, no bureaucrats, no pollution and no Watergate! But now they hear there is a plot to give the country back to them!!

You Are Invited To A Bond Party

The public is cordially invited to attend a party for Albany school bond supporters, to be held Friday, Oct. 12, from 9 p.m. until midnight, at the home of Mr. and Mrs. Milt Nason, 963 Ventura Avenue. No-host cocktails will be served at this kickoff party to begin the campaign to pass Measure A at the November 6th election.

Since there are only four weeks left before the election, Albany residents are urged to get behind the campaign, so double sessions can be ended and Albany children can all attend safe schools.

Council Agenda

Only six communications were on the short agenda for last night's Council meeting (held over until Tuesday because of the Monday observance of Columbus Day).

One communication, from Chief of Police James Simmons, recommended the appointment of Judith Herwood to fill the vacancy created for the rank of Policewoman, due to the resignation of Judi Frakes. The effective date would be October 25.

Other letters included a request from Samuel Dows, chairman of Albany's U.N. Day Committee, asking for recognition of October 24 as United Nations Day and one from the Alameda County Veterans Day Committee, requesting the week of October 22 be proclaimed as "Veterans' Week."

Communications from James Turner, Albany Administrative Officer, informed the Council as to the cost of removing weeds in the City for the year 1973-74, and also recommended the appointment of Charles Genova of Kains Ave. to a probationary position in the entrance level for Maintenance with the Street Dept., effective Oct. 9.

Also on the Tuesday night Council agenda was a communication from Washington Ave. residents, objecting to the use of Golden Gate Fields for motorcycle races.

Ordinances No. 73-08 and 73-09 were also up for second reading and final passage.

Albany Soccer Club Faces Tough Battle

The Albany Soccer Club faces its toughest test of the young season this Sunday when it takes on Oakland C.I.P. at Albany's Cougar Field at 12:30.

C.I.P. last week walloped Richmond 9-0 for one of the most impressive victories registered yet this Fall in the East Bay League Albany was scheduled for a game this past Sunday, but rain forced cancellation of the Cougar Field program. Those games will be rescheduled in December.

The second match of the day, at 2:15 p.m., will have two Oakland rivals, Moravia and Amatlan, squaring off.

Troop Helps in Service Project For Eagle Scout

Greg Hazarabedian, a member of Albany Boy Scout Troop 12's Senior Patrol, recently completed a community beautification project at the State Blind Orientation Center in Albany, as his Eagle Scout requirement.

The public service project involved the uprooting of diseased strawberry ground cover in the flower borders, and spading, fertilizing and replanting the area with hundreds of Hahn's ivy plants. The many Brazilian Glory bushes in the borders were also pruned.

The project was planned, organized and supervised by Greg, who was assisted in the under-

taking by recruits from Troop 12.

Eagle Scout candidate Hazarabedian is the son of Mr. and Mrs. Chuck Hazarabedian of Albany and is a Life Scout, a Wolfboro Pioneer, a member of the Order of the Arrow, and holder of 22 merit badges.

He is in his senior year at Albany High School, where he is a member of the Jazz band and orchestra. He is also a member of the school's Advanced Placement Program, and currently attends one class at the University of California in Berkeley.

Boy Scout Troop 12 is sponsored by Albany American Legion Post 292.

Public Invited To Judo Competition Sunday Afternoon

Sunday, Oct. 14 is the date for the Annual Albany YMCA Judo Invitational Tournament, which will be held in the Albany High School Gym, 603 Key Route Blvd., beginning at 11 a.m.

All member clubs of "Hokka" Black Belt Association have been invited to participate, as well as the University of California Judo Club. Trophies will be awarded for 1st, 2nd and 3rd places.

The public is invited to attend, free of charge, to see "in action" some of the top Judokas in the Country, including many Hokka members who hold 1st, 2nd and 3rd place in National Competition.

"Hokka" is composed of some 30 Judo Clubs, extending from Stockton, Sacramento and San Francisco, down the Peninsula to Monterey, and each year Hokka enters one of the top teams in all National Competitions.

'Community Day' At The EC Plaza

Many of the local clubs and organizations are planning to participate in "Community Day" at El Cerrito Plaza, the annual event in which church and service groups sell merchandise of their choosing to benefit their treasury, which will be held Sat., Oct. 13, from 9:30 a.m. until 5:30 p.m.

Sidewalk displays in the Mall will offer such items as white elephants, baked goods and handcrafted items for sale. An added attraction will be a "Health-Arama" display by the Contra Costa County Health Agencies, featuring an informative exhibit of the services they have to offer the public.

Old Timers Will Perform Oct. 20

The Oakland Old Time Vaudville & Dramatic Artists Club will present their annual performance in the Oakland Auditorium, No. 10, Tenth St., on Saturday, Oct. 20. Doors will open at 6:30 p.m., and show time will be 8:15.

A "fascinating" female impersonator will act as MC and some of the usual area favorites will include: Evelyn and Ray Zurluff, Dolores Barrios, Alma Bouterious, Benton Wigney and Marian and Maurie Vramontes.

For tickets, at \$3 per person (senior citizens in groups, \$2.50 each), please call 526-9749.

Parents Visit AHS Tomorrow

Back-to-School-Night, an annual event jointly sponsored by the Albany PTA and the school staff, is scheduled to be held tomorrow evening, Thurs., Oct. 11.

Registration will begin at 6:45 p.m., followed by short opening exercises in the gym, including introductions by Student Body President, John Greer and performances by the band, cheerleaders, pom pom girls and the flag drill team, under the direction of head cheerleader, Kathy Armstrong.

Carl O. Couch, Principal, will then introduce the school day and proceed through the one to six-period schedule, with parents given the opportunity to visit the classes their children attend during the day.

While it is difficult for each parent, at this time, to converse with each teacher about his own child, there will be time for the parent to become familiar with the child's schedule, teachers, the overall purpose of each course, as well as the campus.

It is hoped that, following this visit, parents will feel free to schedule conferences with teachers at some future time.

Does This Kind of Dog Owner Live In Albany?

John Sawers, Albany Animal Control officer, is calling Albany dog owners' attention to an article by Dr. Frank Miller, published recently in a San Francisco newspaper.

In the article, commemorating National Dog Week, Dr. Miller points out that one week a year is not enough to tell some people how to keep their dogs well, smart and happy, while also keeping their neighbors happy by making sure the dogs respect their yards and sidewalks.

For a few, Dr. Miller says, every day of the year wouldn't be enough to do it. These people, who shouldn't own a dog in the first place, fall into one or more of the following categories.

1. They don't maintain their dogs' proper vaccination schedule or pay attention to their health in general.
2. They overfeed their dogs

Open Letter

Citizens of Albany:

The Board of Education has called a bond election for November 6th, 1973. Due to the fact that two of our elementary schools were declared unsafe in the event of a severe earthquake, we have been forced to utilize Albany High School to accommodate grades Kindergarten through Twelve on double sessions which have greatly restricted the educational opportunities available to our students and a loss of instructional time.

The successful passage of Measure A on November 6th, will enable us to eliminate double sessions for all students and to relocate our existing Middle School to a new site on Jackson and Buchanan Streets in Albany.

The continuation of the middle school program, in adequate facilities, will greatly enhance the educational opportunities for students in grades six, seven and eight and will result in better articulation and coordination of the total education program from Kindergarten through grade twelve.

The unsafe portions of Cornell will be demolished and new classrooms constructed which will ultimately accommodate Kindergarten through fifth grade students.

It is the intent of the Superintendent that the schools of Albany continue to provide a basic quality education for all students. The Middle School, in the proposed facility, will provide us with the opportunity to better meet the needs of students at that age level by expanding the curriculum including vocational training and guidance, in preparation for high school.

Measure A differs from previous proposals inasmuch as a simple majority vote is required rather than a two-thirds "yes" vote due to the fact that previous proposals which included alterations or additions to existing pronounced earthquake safe structures have been eliminated from this measure.

The Board of Education is studying various alternatives to the future location of the District Administration Offices. Monies included in previous proposals for this purpose have been eliminated from this measure.

Construction of Marin School is presently scheduled to begin in October with student occupancy in September of 1974.

In summary, I solicit your support and urge a YES vote on Measure A on November 6th, to eliminate double sessions, locate students in safe buildings, exercise the option to purchase the Hill Tract site, which expires in December, take advantage of participation by the State of California in replacing these needed facilities and to further protect your investment in the City of Albany.

CHARLES E. MCCULLY
Superintendent of Schools

School District

or feed them unsuitable food, mostly garbage. Then at the other end of the line are those who half starve their dogs.

3. They breed their bitches as fast as nature will allow them to, because "the world deserves to have her puppies."

4. They have never trained their dog in their lives, and do not intend to start now!

5. They turn their dogs loose to run wild, because it is the dog's "right" — occasionally to menace other dogs, or more often to mess up or be "messed up" themselves by other dogs, or to be killed by wheels in the street.

Fortunately, says Sawers, most dog owners don't fit anywhere in the above categories. For those who do, we can at least hope this is a useful reminder — that "man's best friend" can use a little human help and consideration throughout his life.

Timely Lessons For Our Young Area Bicyclists

By JOHN T. FORD,
Albany Police Dept.
Bicycle Detail

People on bicycles MUST follow the instructions given on all road and street signs, the same as people operating automobiles.

Why? Because all other traffic, and people operating other types of vehicles expect you to know and do this. Therefore, all other people on the road are driving in such a manner that would be dangerous to you if you are not following directions signs give you.

For example, let's say you are riding down a street on your bike and you come to a cross street (such as Adams or Kains), marked ONE WAY, with an arrow pointing to your right. Now, if you were to turn LEFT on this particular street you would be going against oncoming traffic. Since the street is marked very plainly ONE WAY in the opposite direction, the drivers coming towards you would not expect any traffic coming towards them. If a driver didn't just happen to see you, coming toward him on a one way street, you could have a very serious accident, and possibly be injured very badly.

This same holds true for all other traffic signs. For instance, the sign you see when approaching a railroad crossing. Always, without fail, slow your bike down until you almost stop, when you approach the crossing. Look both directions down and up the track before going across it.

A STOP SIGN means just what it says — STOP! Always come to a complete stop near the right hand curb of the street, even if you can see for blocks in both directions, and there are no cars coming. This sign does not mean stop only if something is coming — it means ALWAYS stop.

A DETOUR sign means the road or street you are riding on is not safe to travel ahead. Even though you might be able to get through on a bike, NEVER disobey a detour sign! There

may be heavy construction equipment ahead working on the road, and they would not be expecting any traffic to be coming through a detour sign — not even a bicycle.

DO NOT ENTER could mean do not enter for many reasons — it usually means the street or road ahead is for one-way traffic coming TOWARD you. Sometimes you see such a sign on off-ramps which carry traffic off main freeways. In any case, it is very dangerous to disobey any traffic sign — especially this one!

YIELD RIGHT OF WAY is another sign you see often. It means if other traffic is coming which will pass in front of you YOU must stop or slow down until it passes (there is such a sign at the junction of Marin and Buchanan, just below San Pablo Ave.) Yield means to "give up" your right to go forward, until other traffic or pedestrians are out of the way.

All signs along the street and highways are placed there for your safety and the safety of others. BE SURE you obey each and every sign you see. We will have another lesson on signs later.

QUESTIONS

Yes No
A STOP sign means to slow down and see if any other traffic is coming. —
A ONE WAY sign, with an arrow, means you can only travel the direction the arrow points on that street. —
A RAILROAD warning sign means to slow down if you see a train coming. —
A DO NOT ENTER sign means you can go no further in the direction you are traveling on that particular street. —
A YIELD sign means other traffic will let you pass first. —
Traffic signs are to be obeyed by all drivers, no matter what kind of vehicle they drive. —

Weekly Albany School Bond Series Will Be Published

In the four issues prior to the November 6 bond election a series of informative articles will appear in the Times. Questions to be covered will include: Why does Albany need a Middle School? How can we qualify for simple majority passage of the bond issue proposal? What are we already paying toward earthquake safe schools? What will the new bond issue cost the taxpayer per month? What will we get for our money? What are the advantages of the present plans?

Sources for information will include Superintendent of Schools Charles McCully, Middle School Principal Bob Shogren, School District Business Manager Bill Kilby, and School District Architect William Corlett.

Citizens having specific questions are asked to submit them to the Albany Times. If space is available, they will be answered.

Available To Local Residents

The Soroptimist Club of Albany is reminding local residents that many sickroom items are available for use free of charge.

The following items are available: crutches, wheel chairs, small step stools, hospital bed w/trapeze, hospital tables, bed pans and a walker.

Any item or items may be borrowed by contacting the Albany Fire Department at 525-7141. However, those needing any sickroom item must make their own arrangements for pick up and delivery.

in print. In all cases, the questions will receive an answer either by phone or by letter.

"Winter is here," says our unofficial weatherman, George Bernard, who reports that we had .75 inches of that wet stuff over the weekend, plus TWO EARTHQUAKES!

Last year, to date, we had 1.19 inches of rain, and so far, this year, we are ahead, with 1.33. George says, in spite of what those other well-known weather forecasters say, we are going to have another bad winter!

High School Sweethearts Observe 50th Anniversary

An Albany couple, who met in high school in Oram, Utah, over 50 years ago, celebrated their Golden Wedding anniversary last week, on September 26.

The H. Afton Stouts of Talbot Avenue, will be formally feted by family and friends next month, in Salt Lake City, with a dinner at the Lion's House Garden Dining Room, followed by "Open House" at the home of Mrs. Stout's sister, Mrs. T. C. Hebertson.

Alton Stout, youngest of 15 children born to a pioneer Mor-

mon family in Utah, was a pioneer himself, in the field of automobile tires. Mr. Stout and several of his brothers maintained a tire business at several Berkeley locations for over 40 years, and held the General Tire dealership in that city for 35 years.

Although he had no formal voice training, Stout is an accomplished singer and well-known in the Bay Area for his rich, bass voice. A charter member of the Claremont Choral Society and the Mormon Male

Mrs. Lella Henderson has many exciting programs scheduled for her classes on "Creative Retirement" which are given at our Center on Wednesdays from 10:30 to 12 noon.

The subject of the class on October 10, will be "Advantages of Retirement," and Mr. Austin Amerine of American Association of Retired Persons, will host the program.

Mr. James Baylor also has many interesting programs scheduled for his classes on "World Affairs" on Wednesdays beginning at 1 p.m. The emphasis of these classes will be on Africa, and Mr. Baylor is very well qualified indeed to teach this subject. He recently lived in Ethiopia for two years where he did research, and he designed a course about Africa which he taught at George Williams College in Downers Grove Illinois. He has a BA from the University of California, Berkeley, and an MA from San Jose State College, San Jose. He has traveled extensively to far corners of the globe, including a summer spent in Puerto Rico, and has taught and lectured about Africa in many different colleges and universities.

So—give yourself a treat. Come in and attend these most interesting classes!

Our Director, Mrs. Beulah Belling, has scheduled an overnight trip to Reno on Tuesday, October 23. The bus will leave our Center at 8 a.m., and there will be an overnight stay at the new El Dorado Hotel. Tickets will cost \$19.00 each, and there will be a refund of \$8.00 in cash.

Seniors 62 and older, living in their own homes, are reminded for the last time that October 15, is the last day you can file for your property tax refunds. If you have not already filed for this refund you are urged to do so.

Bouquets to Albany resident, Frances L. Edwards (Mrs. Robert) who was recently promoted to the position of operations officer at Bank of America's Lake Merritt-East 18th St. office in Oakland.

Mrs. Edwards first went to work at the B of A's Dwight Way office in Berkeley, in 1961, and later held positions at El Sobrante and Vallejo branches. For the past three years she

was employed as assistant operations officer at the bank's 59th & San Pablo Ave. office in Oakland.

Have you heard about the "flagnappers" in Albany? No, we're not talking about the City's flag near the freeway—but the Lion's flag at Serb's. It seems that the Soroptimists (who meet in the same place as the Lions) thought THEIR flag was getting dirty and should be cleaned, so someone was appointed to handle the problem.

And were they ever surprised to hear that SOMEONE had stolen the Lion's flag! And all the time the Soroptimists thought it was THEIR flag!!

The Haunted House, which mysteriously appears each Halloween time at the El Cerrito Plaza, should be more "spooky" than ever this year, according to Dee Andronica of Kensington, who is a member of Aladdin Chapter of Children's Home Society, sponsors of the annual exhibit.

Susan Corvello, 1971 Albany High Grad and winner of the Betty Crocker Homemakers Tomorrow award, is a candidate for an Associate of Arts degree in Medical Secretarial Administration at Armstrong College. Susan is the daughter of Mr. and Mrs. Walter Corvello of Washington St. and deserves our enthusiastic praise for furthering herself education-wise.

If you are hungry for a good "spaghetti feed," why not take advantage of the 9th Annual Spaghetti Dinner, put on by members of Sea Scout Ship Northland of Berkeley.

The affair will be held next Tues., Oct. 16, from 6 to 7:30 p.m., in the Northbrae Community Church, the Alameda and Los Angeles. Tickets at \$2 for adults and \$1.25 for children under 12, will be available at the door. Following dining on Mrs. Bonini's fabulous spaghetti, Skipper Saugman and his crew will present a program of "Nostalgia" and door prizes will be awarded to lucky winners. Sounds like a fun evening.

AN ORDINANCE OF THE CITY OF ALBANY AMENDING CHAPTER 8 OF THE ALBANY CITY CODE (1958).

THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:

Section 1: Chapter 8 of the Albany City Code is hereby amended by deleting the same, and adding the following in lieu thereof, and Chapter 8 shall hereafter read as follows:

"CHAPTER 8. EMERGENCY ORGANIZATIONS AND FUNCTIONS.

"Sec. 8.1. Purposes. The declared purposes of this Ordinance are to provide for the preparation and carrying out of plans for the protection of persons and property within this City in the event of an emergency; the direction of the emergency organization; and the coordination of the emergency functions of this City with all other public agencies, corporations, organizations, and affected private persons.

"Sec. 8.2. Definition. As used in this Ordinance, 'emergency' shall mean the actual or threatened existence of conditions of disaster or of extreme peril to the safety of persons and property within this City caused by such conditions as air pollution, fire, flood, storm, epidemic, riot, or earthquake, or other conditions, including conditions resulting from war or imminent threat of war, but other than conditions resulting from a labor controversy, which conditions are or are likely to go beyond the control of the services, personnel, equipment, and facilities of this City, requiring the combined forces of other political subdivisions to combat.

"Sec. 8.3. Disaster Council Membership. The City of Albany Disaster Council is hereby created and shall consist of the following:

"A. The Mayor, who shall be chairman.

"B. The assistant director of emergency services, who shall be vice chairman.

"C. Such chiefs of emergency services as are provided for in a current emergency plan of this City, adopted pursuant to this Ordinance.

"D. Such representatives of civic, business, labor, veterans, professional, or other organizations having an official emergency responsibility, as may be appointed by the director with the

advice and consent of the City Council.

"Sec. 8.4. Disaster Council Powers and Duties. It shall be the duty of the City of Albany Disaster Council, and it is hereby empowered, to develop and recommend for adoption by the City Council, emergency and mutual aid plans and agreements and such ordinances and regulations and rules and regulations as are necessary to implement such plans and agreements. The Disaster Council shall meet upon call of the chairman or, in his absence from the City or inability to call such meeting, upon call of the vice chairman.

"Sec. 8.5. Director and Assistant Director of Emergency Services. The Mayor shall be the director of emergency services. There is hereby created the office of assistant director of emergency services, who shall be appointed by the director.

"Sec. 8.6. Powers and Duties of the Director and Assistant Director of Emergency Services.

"A. The director is hereby empowered to:

"(1) Request the City Council to proclaim the existence or threatened existence of a 'local emergency' if the City Council is in session, or to issue such proclamation if the City Council is not in session.

"(2) Request the Governor to proclaim a 'state of emergency' when, in the opinion of the director, the locally available resources are inadequate to cope with the emergency.

"(3) Control and direct the effort of the emergency organization of this City for the accomplishment of the purposes of this Ordinance.

"(4) Direct cooperation between and coordination of services and staff of the emergency organization of this City, and resolve questions of authority and responsibility that may arise between them.

"(5) Represent this City in all dealings with public or private agencies on matters pertaining to emergencies as defined herein.

"(6) In the event of the proclamation of a 'local emergency' as herein provided, the proclamation of a 'state of emergency' by the Governor or the Director of the State

Office of Emergency Services, or the existence of a 'state of emergency', the director is hereby empowered.

"(a) To make and issue rules and regulations on matters reasonably related to the protection of life and property as affected by such emergency; provided, however, such rules and regulations must be confirmed at the earliest practicable time by the City Council;

"(b) To obtain vital supplies, equipment and such other properties found lacking and needed for the protection of life and property and to bind the City for the fair value thereof and, if required immediately, to commandeer the same for public use;

"(c) To require emergency services of any City officer or employee and, in the event of the proclamation of a 'state of emergency' in the county in which this City is located or the existence of a 'state of war emergency', to command the aid of as many citizens of this community as he deems necessary in the execution of his duties; such persons shall be entitled to all privileges, benefits, and immunities as are provided by state law for registered disaster service workers;

"(d) To requisition necessary personnel or material of any City department or agency; and

"(e) To execute all of his ordinary power as Mayor, all of the special powers conferred upon him by this Ordinance or by resolution or emergency plan pursuant hereto adopted by the City Council, all powers conferred upon him by any statute, by any agreement approved by the City Council, and by any other lawful authority.

"B. The director of emergency services shall designate the order of succession to that office, to take effect in the event the director is unavailable to attend meetings and otherwise perform his duties during an emergency. Such order of succession shall be approved by the City Council.

"C. The assistant director shall, under the supervision of the director and with the assistance of emergency service chiefs, develop emergency plans and manage the emergency programs of this City; and shall have such other powers and duties as may be

assigned by the director.

"Sec. 8.7. Emergency Organization. All officers and employees of this City, together with those volunteer forces enrolled to aid them during an emergency, and all groups, organizations, and persons who may by agreement or operation of law, including persons impressed into service under the provisions of Sec. 8.A. (6) (c) of this Ordinance, charged with duties incident to the protection of life and property in this City during such emergency, shall constitute the emergency organization of the City of Albany."

ORDINANCE No. 73-09

AN ORDINANCE OF THE CITY OF ALBANY IMPOSING A SALES AND USE TAX TO BE ADMINISTERED BY THE STATE BOARD OF EQUALIZATION AND PROVIDING PENALTIES FOR VIOLATIONS.

THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:

Section 1: That Article II of Chapter 25 of the Albany City Code, 1958, is hereby amended by deleting the entire Article and adding the following in lieu thereof and said Article II shall hereafter read as follows:

"ARTICLE II. UNIFORM LOCAL SALES AND USE TAXES.

"Sec. 25-7.1. Short Title. This Ordinance shall be known as the Uniform Local Sales and Use Tax Ordinance.

"Sec. 25-7.2. Rate. The rate of sales tax and use tax imposed by this Ordinance shall be ninety-five one hundredth of one percent.

"Sec. 25-7.3. Operative Date. This Ordinance shall be operative on January 1, 1974.

"Sec. 25-7.4. Purpose. The City Council hereby declares that this Ordinance is adopted to achieve the following, among other purposes, and directs that the provisions hereof be interpreted in order to accomplish those purposes:

"(a) To adopt a sales and use tax ordinance which complies with the requirements and limitations contained in Part 1.5 of Division 2 of the Revenue and Taxation Code;

"(b) To adopt a sales and use tax ordinance which incorporates provisions identical to those of the Sale and Use Tax Law of the State of California insofar as those provisions are not inconsistent with the requirements and limitations contained in Part 1.5 of Division 2 of the Revenue and Taxation Code;

"(c) To adopt a sales and use tax ordinance which imposes a tax and provides a measure therefor that can be administered and collected by the State Board of Equalization in a manner that adapts itself as fully as practicable to, and requires the least possible deviation from the existing statutory and administrative procedures follow-

ed by the State Board of Equalization in administering and collecting the California State Sales and Use Taxes;

"(d) To adopt a sales and use tax ordinance which can be administered in a manner that will, to the degree possible consistent with the provisions of Part 1.5 of Division 2 of the Revenue and Taxation Code, minimize the cost of collecting City sales and use taxes and at the same time minimize the burden of record keeping upon persons subject to taxation under the provisions of this Ordinance.

"Sec. 25-7.5. Contract With State. Prior to the operative date, this City shall contract with the State Board of Equalization to perform all functions incident to the administration and operation of this sales and use tax ordinance; provided, that if this City shall not have contracted with the State Board of Equalization prior to the operative date, it shall nevertheless so contract and in such a case the operative date shall be the first day of the first calendar quarter following the execution of such a contract rather than the first day of the first calendar quarter following the adoption of this Ordinance.

"Sec. 25-7.6. Sales Tax. For the privilege of selling tangible personal property at retail a tax is hereby imposed upon all retailers in the City at the rate stated in Sec. 25-7.12 of the gross receipts of the retailer from the sale of all tangible personal property sold at retail in this City on and after the operative date.

"Sec. 25-7.7. Place of Sale. For the purposes of this Ordinance, all retail sales are consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-State destination or to a common carrier for delivery to an out-of-State destination. The gross receipts from such sales shall include delivery charges, when such charges are subject to the State sales and use tax, regardless of the place to which delivery is made. In the event a retailer has no permanent place of business in the State or has more than one place of business, the place or places at which the retail sales are consummated shall be determined under rules and regulations to be prescribed and

adopted by the State Board of Equalization.

"Sec. 25-7.8. Use Tax. An excise tax is hereby imposed on the storage, use or other consumption in this City of tangible personal property purchased from any retailer on and after the operative date for storage, use or other consumption in this City at the rate stated in Sec. 25-7.2 of the sales price of the property. The sales price shall include delivery charges when such charges are subject to State sales or use tax regardless of the place to which delivery is made.

"Sec. 25-7.9. Adoption of Provisions of State Law. Except as otherwise provided in this Ordinance and except insofar as they are inconsistent with the provisions of Part 1.5 of Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 of Division 2 of the Revenue and Taxation Code are hereby adopted and made a part of this Ordinance as though fully set forth herein.

"Sec. 25-7.10. Limitations on Adoption of State Law. In adoption of the provisions of Part 1 of Division 2 of the Revenue and Taxation Code, wherever the State of California is named or referred to as the taxing agency, the name of this City shall be substituted therefor. "Sec. 25-7.15. Amendments. All subsequent amendments of the Revenue and Taxation Code which relate to the sales and use tax and which are not inconsistent with Part 1.5 of Division 2 of the Revenue and Taxation Code shall automatically become a part of this Ordinance.

"Sec. 25-7.16. Enjoining Collection Forbidden. No injunction or writ of mandate or other legal or equitable process shall issue in any suit, action or proceeding in any court against the State or this City, or against any officer of the State or this City, to prevent or enjoin the collection under this Ordinance, or Part 1.5 of Division 2 of the Revenue and Taxation Code, of any tax or any amount of tax required to be collected.

"Sec. 25-7.17. Penalties. Any person violating any of the provisions of this Ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than \$500.00 or by imprisonment for a period of not more than six (6) months, or by both such fine and imprisonment.
